The Superintending Engineer,
PWD, Circle - _____

Sub:- Construction of road under PMGSY

Sir,

Please refer to Govt. letter no. F.14(3)/PW/PMGSY/Police/2000 dt. 08-05-01 regarding transfer of funds. In this letter, the cheque drawing powers have been defined for PIU. It is noticed that there seems to be confusion regarding passing of bills for the payment for PMGSY works. It is clarified that the contract agreement is being administered by nodal Executive Engineer. The responsibility for putting pass order for the payment of bill shall lie with the Executive Engineer. The passed bill will be sent to in-charge PIU for releasing the cheque against the passed bill. In case the in-charge PIU is Executive Engineer himself and the amount of cheque is more than 30 Lacs, it should be counter signed by concerning Superintending Engineer.

Yours faithfully,
