CIRCULAR NO.1/2007-08

Civil works are allotted to RSRDCC as per the guidelines issued by the Finance Department. It has been observed that copy of the technical sanction estimates is not received by the concerning Executive Engineers from the RSRDCC which results in the variation in quantities and expenditure as compared to financial sanction. It has also been observed that expenditure details/utilization certificates are not received regularly and completion report are also not collected timely. These issues have also been raised through the A.G.Paras of various Divisions.

It is, therefore, instructed that after allotting the work to RSRDCC, the copy of the sanctioned estimate be obtained and estimate provisions may also be verified as per the sanctions of works . Utilization certificate of allotted works be obtained monthly for regulating the expenditure in the department and completion certificate of works be obtained within one month of the date of completion so as to regulate the provision in the yearly budgets.
