

59

OFFICE OF THE CHIEF ENGINEER, PWD, RAJASTHAN, JAIPUR.

No : SE(NH)/BSR/45/13-14/D- 434

Date : 5/6/13

CIRCULAR

It has been observed that concerned Circle Officers are not timely submitting revised BSR for approval to competent Authority. As such, it has been decided by the Government that the revised BSR of each district should be submitted upto 15<sup>th</sup> April of every year positively to Competent Authority for approval so that it may be approved upto 15<sup>th</sup> May of every year.

If the tender rates received are more than 10% of the BSR rates then the revision of BSR may also be considered during the year. It has also been decided that if the rate analysis for the tenders recommended by Superintending Engineer of the PWD Circle is more than 10% of the current BSR rates disciplinary action may be taken against concerned SE & EE for not revising the BSR timely.

The BSR may be worked out for a particular Division separately if the rates in the area of particular Division are substantially above or below the prevailing rates in the district. Strict compliance of this circular may be made immediately and concerned SE should ensure that the BSR of his Circle for the current year 2013 is approved from respective Chief Engineer before 30<sup>th</sup> June 2013 positively.
