ORDER

The Governor has been pleased to order that by amending earlier order of even number dated 4.6.2002, the system of approval of tender would be followed as under :-

1. The Competent Authority as prescribed in the PWF&AR would approve the tender up to the ceiling rate fixed by Administrative Department for each District/Zone, based on the average rate of tender premium during last six months, subject to maximum of 10% tender premium above BSR.

All other tenders with tender premium above the prescribed ceiling rate up to the double the ceiling rate would be put up to the next higher committee, than the Competent Authority as follows :-

(i) Tenders of the competence of Executive Engineers by the Committee headed by Superintending Engineer concerned, Executive Engineer concerned and Assistant Accounts Officer of the Circle office.

(ii) Tenders of the competence of Superintending Engineer by Committee headed by Addl. Chief Engineer concerned Zone, Superintending Engineer concerned Circle and Senior Accounts Officer/Accounts Officer of Zone office concerned.

(iii) Tenders of the competence of Additional Chief Engineer by Committee headed by Chief Engineer concerned, Addl. Chief Engineer concerned Zone and FA/Chief Accounts Officer concerned.

(iv) Tenders of the competence of Chief Engineer by Committee headed by Chief Engineer & Additional Secretary, concerned Chief Engineer and concerned Financial Advisor/Chief Accounts Officer.

These committee will be next higher authority to decide tenders having upto the double the ceiling rates as tender premium. For instance, if the prescribed ceiling is 7% the committee would be empowered to approve tender up to 14% T.P. above BSR.

3. Tenders having tender premium more than double the prescribed ceiling rate would be put up to the following committee for decision/approval :-

- | | |
|------------------------------------------------------------------------------------------------------------------------------------------------|------------------|
| (i) Chief Engineer & Addl. Secy. PWD | Chairman |
| (ii) Chief Engineer incharge of the Scheme | Member Secretary |
| (iii) Financial Advisor/Chief Accounts Officer,
PWD | Member |
| (iv) Addl. Chief Engineer/Superintending Engineer
Executive ^{ENGINEER} concerned in whose
powers the tender lies as per PWF&AR. | Member |

Contd.

28
6/2

The above Committee would be empowered to approve tenders more than double the prescribed ceiling for the District/Zone.

4. The role of above Committee (Point No. 2 & 3) would be limited to tender approval only and other powers relating to contracts would continue to be exercised by the officers of the department as per the schedule of powers in the PWF&AR.
5. The tender proposals which are of the competence of the Chief Engineer and which have tender premium higher than double the prescribed ceiling would be put up to the Government in the Administrative Department for approval.

Tenders above Rs. 5.00 crores would continue to be put up to the Government for approval as laid down in the PWF&AR.

These orders are issued with the concurrence of Finance (Exp.3) Department vide I.D. No. 3635 dated 31.12.2005.

These orders will come into force with immediate effect.
