

OFFICE OF THE CHIEF ENGINEER, P.W.D. RAJASTHAN, JAIPUR

No.CE/EE/D&T/ 15/ D - 985

Dated : 30-06-15

Circular No.03/2015-16

It has been observed that some special conditions are being laid down in the tender documents by the various authorities like Circle/Division offices which appear to benefit particular Firm/Contractor/Company. It has also been noticed that in certain cases unnecessary delay occurs in submitting tender documents to the higher authorities for approval.

All Circle/Division officers are directed to ensure that no special conditions are laid down in the tender documents without prior permission of the competent authority. Tender documents should be sent as early as possible so that there is no delay in approval of tender by the competent authority. Efforts should be made to maintain transparency in tenders to avoid any kind of bias during evaluation of technical bid.
