No. SE(PMGSY)Circular/2005/D- 224

Dated : 21/8/05

The Additional Chief Engineer

PWD, Zone----- (All)

The Superintending Engineer (PIU),

PWD, Circle-----

The Executive Engineer (PIU),

PWD, Division-----

**Sub: Specification for concrete Pavement for PMGSY Roads.**

Sir,

As per the Standard Data Book for rural roads published by IRC in the month of September, 2004, the controlled concrete of grade M-30 should be used for the construction of cement concrete pavement for rural roads. This item has been incorporated in the BSR of PMGSY works issued on the basis of SDB. A circular has also been issued by this office on dated 01-08-2005, showing the sub items which are in-built in the items given in BSR. The copy of the circular is enclosed for ready reference.

It has been observed that the compliance of the above said circular has not been done properly by the field staff. You are requested to please ensure the compliance of the above circular and the work for cement concrete pavement shall be carried out as per the specifications & in confirmation to MoRD, clause 1500 & SDB Clause 6.4.

  
CHIEF ENGINEER  
21/8/05
