

H.L. MINA
CHIEF ENGINEER

PUBLIC WORKS DEPARTMENT
RAJASTHAN, JAIPUR.

D.O No. EE(R&D-II)/PMGSY/2004/D-146

Dated: 22/11/05

Sub: Land not available cases under PMGSY proposals.

Dear Shri *Chauhan*,

Please refer to Principal Secretary (Revenue) D.O letter No. F-3(2) Raj/6/2003 dated 8th November 2004 which was endorsed to you vide No. SE(PMGSY)/2004/D-125 dated 18th November 2004 for resolving the non availability of revenue land problem.

As you know that some of the proposals having population 500 & above were approved by the Zila Parishad but lying in the category of "Land Not Available" and some of the roads in the desert area/Tribal area having population 250 & above may not have clear revenue track for the construction of PMGSY roads. In this context you are requested to provide the list of such roads to the revenue department and resolve the problem of non availability of land so that proposals of these roads may be sent to MoRD for the clearance. Action taken in this regards may be intimated to this office at an early date.

With best wishes

Yours Sincerely

H.L. MINA
