OFFICE OF CHIEF ENGINEER, PWD, RAJASTHAN, JAIPUR 318155

No. EE (R&D-II)/PMGSY/D-213

Dated: 30/7/05

The Superintending Engineer (PIU)
PWD, Circle-

The Executive Engineer (PIU)
PWD Division

3-8-05 TA
1605

Sub: PMGSY Proposals for Phase-VI (2006-07) based on actual population as per census 2001.

Please refer to this office letter dated 25-06-2005 vide which you were requested to prepare the DPR's for the habitations having population 600 to 749 based on census, 2001 under PMGSY phase-VI. In addition to the points mentioned in the above referred letter, due care should to be taken for the following points also:-

1. The Traffic assessment should be done as per SP-20. The designed curve should be unto "B-Curve". If as per traffic assessment "C-Curve" is required to be adopted, you are directed to inform the reasons and take prior permission to this office before preparation of such DPR.
2. The CBR should not be adopted on assumption basis. As per the PMGSY guide lines you have to take the CBR tests according to the previously issued circular by this office. The copy of the circular is enclosed for ready reference.

You are requested to send the information as below upto 10th August 2005 positively.

District:

S.No	Total No. of DPR's having population 600 & above	No. of DPR's prepared	Topographical survey & soil investigation done (No. of roads)	CBR test have been done as per circular (No. of roads)	Likely date of submission of DPR's to this CE's office
