OFFICE OF THE CHIEF ENGINEER, PWD, RAJASTHAN, JAIPUR

No. SE(PMGSY)WB/Phase-V/Part-III/2005/D-2725 Dated 26/09/2005

The Additional Chief Engineer
PWD Zone _____

Incharge P.I.U.
PWD, Circle/Division _____

Sub: Bid Documents for PMGSY works Phase-V Part-III (Regular allocation) (NIT no. 14) and Phase-V Tranche-III (World Bank funded) in 19(Nineteen) Districts.

Sir,

You are directed to include the following two conditions under Special Conditions of Contract for PMGSY works Phase-V Part-III (Regular allocation) (NIT no. 14) and Phase-V Tranche-III (World Bank funded) in 19 (Nineteen) districts.

1. It is mandatory that compaction of earth using in formation shall be done by vibratory roller. No static roller would be allowed for compaction of earth for this purpose.
2. The contractor shall possess licence of explosives from competent authority for execution of rock cutting with blasting.

Yours faithfully,

[Signature]
Chief Engineer
