CIRCULAR NO 01/2012

CE (PMGSY)

**Subject: Detailed Project Reports (DPRs) for PMGSY sanctions -
Submission in PDF Format in DVDs regarding**

The PMGSY guideline requires the preparation of DPRs by the PIUs for submission of proposal pertaining to PMGSY to Ministry of Rural Development for clearances. Accordingly, the States are preparing the DPRs and State- Abstract on proforma for all proposals.

2. Over the years, it has been realised that maintaining and preserving large numbers of DPRs and State-Abstract by the States remain a critical concern. Also, the States feel inconvenience in sending large number of physical DPRs to NRRDA for scrutiny.

3. In view of above, this has been decided by the Ministry that in future all DPRs and State-Abstracts will also be prepared in PDF format by the States in addition to hard-copy. All the DPRs and State-Abstracts for proposals will be sent to NRRDA in DVDs with files duly names systematically. NRRDA may ask for sample DPRs in hard-copy if required.

4. NRRDA and SRRDAs will maintain library of these DVDs/CDs and enter in the assets register. The yearly physical verification of holding will also be carried out.

5. The States may utilise Administrative Funds as per clause No. 8.8 of PMGSY guidelines for scanning the pages of DPR, if soft copy of some pages is not available.
