

OFFICE OF THE CHIEF ENGINEER (S.S.), PWD, RAJASTHAN, JAIPUR

No: CE(SS)/ EE(SI&QC) /2011/D- 1

Dated: 13/4/2011

The Additional Chief Engineer  
PWD Zone .....(All)

Sub: Utilization of 1 % provision in sanctioned amount for  
quality control on works.

Sir,

During the meeting on 03.02.2011 requirement for purchase of new equipments, repairing of old serviceable equipments, purchase of chemicals & other consumable etc for the purchase of effective testing was raised by Executive Engineer (SI&QC) Divisions. It was directed in the meeting to utilize 1 % provision on each work meant for quality control . During inspections it is brought to notice that provision of 1% in sanctioned amount on every work in quality purchase is not being fully utilized .

You are therefore directed to kindly assess overall realistic requirement of quality control Divisions under your zone for purchase of new equipments, repair of old equipments and other purchases and take necessary steps to provide the same out of 1% provision for quality control on works, so that quality control division may function more effectively and overall quality of works is enhanced .

This may please be given top priority.
