

Office of the Chief Engineer (Roads) ,Public Works Department,
Rajasthan, Jaipur

Dated: 7/9/2018

No. F45/P&M U/circular/05/A-217

The Additional Chief Engineer,
Public Work Department,
Zone----- (All).

Superintending Engineer,
Public Work Department,
Circle ----- (All).

Executive Engineer,
Public Work Department,
Division ----- (All).

Sub:- Maintenance/upkeep of roads under "Defect Liability Period".

Sir,

There is a provision for maintenance/upkeep of "Road/Bridge/C.D.Work" under Defect Liability Period (DLP). But, it is observed during inspections/review meetings that these works are not being maintained properly by the contracting agency. In many a cases, it is also found that concerning circles/divisions are not taking actions against the contractors as per agreement. This results to poorly maintained road network and these structures get largely damaged before the Defect Liability Period (DLP).

Therefore it is enjoined upon all concerned to strictly ensure the compliance of the instructions for the effective maintenance of "Roads/Bridges/CD Works". List of Activities and periodicity to be carried out during DLP is again enclosed for ready reference.

Encl. :- As Above.

(M.G. Maheshwari)
Chief Engineer (Roads)
PWD Rajasthan, Jaipur
