

**Circular – 6 /2007-08**

1. Extensive Road development works are being taken up in the State through various agencies resulting in improvement of riding quality of roads. Simultaneously, more road accident cases are also reported. Public Works Department, Home Department and Transport Department have taken combined decision to take immediate necessary steps so that road accidents are minimized.
2. Home Department has also identified some spots & has desired that the road geometrics on these spots be examined as per IRC norms and improvement in geometrics be carried out if needed. Action be taken on such "Black spots" immediately.
3. The following steps also be taken immediately: -
  - (i) Caution and mandatory boards indicating such as speed limit, sharp curve, accident prone area be provided on roads.
  - (ii) Up keeping of shoulders be ensured and shoulders be kept free from shrubs / plants etc.
  - (iii) Improvement of Geometrics particularly on blind curves and gradients to have proper sight distance be ensured.
  - (iv) Reflectors be provided in Ghat Sections & Hilly terrains.
  - (v) Speed Breakers be provided on the roads merging on National Highways & State Highways with proper painting and boards. Speed Breakers also be provided on the roads crossing unmanned level crossings with proper painting and boards.
  - (vi) Roads damaged in Monsoon be repaired on top priority.
  - (vii) Edge line on sharp curves, Zebra marking for Pedestrians etc. be provided.

  
Chief Engineer (Road - I)
