

CIRCULAR

In pursuance of decision taken in the meeting held on 18.8.10 under the Chairmanship of Secretary, PWD with the view to reduce damages in B/T road during rainy season, no binding material shall be used, only screening shall be used in WBM works being executed under NREGA.

Further a decision was also taken that WMM shall be executed in place of WBM in road works being sanctioned under State Plan Head.

All Engineer Incharge are directed to follow above instructions, non-compliance of these instructions may attract disciplinary action.
