Sub:- Your Application under Swiss Challenge Method for “Proposal of Development of Roads in Jodhpur Zone (Districts : Barmer, Pali, Jalore, ) on Hybrid Annuity Mode (Package No.-3)”

Sir,

Undersigned is directed to convey “**permission to proceed**” in accordance with section 79D(5) under RTPP (Amendment) Rules, 2015, as per decision of 7<sup>th</sup> meeting of State Level Empowered Committee(SLEC) held on October 03, 2016 with the following conditions:

1. *Administrative Department would first take a policy decision at appropriate level on the referred innovative technology to be used for the projects, as well as the financing pattern;*
2. *A/D would bring out cash flow projections on account of toll revenues, after undertaking detailed studies, in the DPR. Provision for mobilization advance should be avoided;*
3. *Total project cost inclusive of land acquisition and other works to be carried for implementation of these packages must be clearly brought out in the DPR;*
4. *Administrative Department would compare the benefits of proposed mode vis-à-vis if these projects are implemented by the State Government either on its own or through JV route and;*
5. *Administrative Department would submit detailed proposals along with duly signed project documents after complying with the relevant rules and regulations as stipulated in rule 79N of RTPP (Amendment) Rules 2015.*

Policy decision of the Administrative Department on the proposed innovative technology “Warm Mix Asphalt (WMA)” to be used for the project will be as under:

1. The WMA technology can be used as innovative technology for Binder / Wearing course in a maximum of 15% project length. The project proponents are required to comply with guidelines issued by IRC SP 101 – 2014.

2. The proposed stretches for use of WMA technology will be predetermined at DPR stage in consultation with the Authority (preferably staggered segments not more than 5 Kms. each) and incorporate in the bid documents accordingly.

The project implementation and financial modalities [the proposed financing pattern 20:80(State : Project Proponent)] are proposed to be deliberated and finalized with you in a "appraisal meeting for submission of DPR" scheduled on 16-17<sup>th</sup> November, 2016 in conference hall of PPP Division, PWD, Jaipur. The requisite administrative support/information in respect of compliance of conditions as stipulated at para 2, 3 & 4 above can be availed by the proposed proponent from the concerned Project Director i.e. PD, PPP Division, PWD, Jodhpur (9414-019723).

In view of above, you are requested to undertake detailed studies including preparation of Detailed Project Report required for bidding and submit the detailed and comprehensive proposal as stipulated in Rule 79G of RTPP Rules 2013 within a period of 3 months from the date of issue of this letter.

Furthermore, it may please be noted that the technical proposal should comply with the requirements of Geometric Design Standards as stipulated in IRC SP 73:2007 and the project proponent is required to submit complete authenticated valid documents as stipulated in Rule 79N of RTPP Rules with the detailed and comprehensive proposal.

List of the roads proposed by you is enclosed herewith for ready reference.

Yours faithfully,

  
17/11/2016  
(Anoop Kulshreshtha)  
Addl. Chief Engineer (PPP),  
PWD, Rajasthan, Jaipur.
