(Brindra Singh)
Manager (BOT)

**DIRECTIONS FOR COMPLIANCE OF DECISION DATED 13-11-2019 OF
HON BLE HIGH COURT**

1-The Contractor shall have to establish & maintain temporary check post, barrier and all other allied structures & requisite facilities , at location other than lanes and allied toll plaza structures being maintained by existing toll tax collection contractor for non private vehicles, at his own risk and cost

2-The Contractor shall have provide and maintain Drinking Water (Through Portable or Permanent Arrangements), Electricity (Through Conventional/Non Renewal or Renewal like Solar etc Sources), Toilet & Sanitation (Through Temporary/Mobile Toilets or Permanent Constructions) at his own risk and cost. The contractor shall have to establish requisite structures and facilities within 18 Days of issuance of LOA.

3-Contractor shall also be responsible for removal/disposal of permanent/temporary structures/facilities, after expiry of contract period, at his own risk & cost.

4-The contractor shall establish temporary check post and allied structures & facilities, before flaring point for upcoming toll plaza, in such a manner that toll is paid by Private Vehicles, before entering area being maintained by existing toll tax collection contractor. The contractor can establish temporary check post and allied facilities only after prior approval of the concerned Project Director, whose decision in this issue shall be final, conclusive & binding on Contractor.

5-Contractor shall also ensure that there is no obstruction/hindrance to tollable traffic pertaining to existing contractor for Non Private Vehicles. The Contractor shall also ensure that there is no hindrance to or accumulation of, Non Private Vehicles, for long time, at temporary check posts.
